

## How Endsleigh protects the things you can't afford to be without...

At uni your gadgets are essential for studying and for keeping in touch with friends and family, so it makes sense to safeguard them **24/7**.

The student room insurance provided for you focuses on covering some of the items in your room for **theft, fire and flood risk**. To check what is covered, just [download your insurance certificate](#) **(LINK TO PDF)**

**Laptops, tablets and phones are not covered outside of your room** so you may wish to consider taking out additional cover to protect these essentials.

Endsleigh is the **No 1 student gadget insurance provider** and is **recommended by NUS**, because they understand students' insurance needs and university life. Their cover keeps your gadgets protected wherever you and your gadgets are, matched with a **24 hour\* laptop and mobile phone replacement** promise once your claim is approved.

Protect your laptop, phone and other gadgets by choosing one of Endsleigh's value packages. [www.endsleigh.co.uk/reviewcover](http://www.endsleigh.co.uk/reviewcover)
